

# One-Stop Operators

---

---

## PRIMARY RESPONSIBILITIES:

- ✓ Provide core services to adults and dislocated workers at all comprehensive One-Stops
- ✓ These core services may be made available by the provision of appropriate technology, by co-locating personnel, by cross-training staff, or through a cost reimbursement or other agreements as described in the MOU
- ✓ Provide intensive services to adults and dislocated workers, either directly or through contracts with service providers (pre-approved by local board)
- ✓ Provide ITAs and access to lists of eligible training providers
- ✓ Make available follow-up services for a minimum of one year from employment date into unsubsidized employment
- ✓ Provide access to other training services, activities, programs and supportive services that apply to adult and dislocated worker programs as described in the local MOU
